Client releases ACRAnet, its agents and its Data Providers harmless from all such liabilities including, without limitation, indirect, consequential, and special damages and damages for loss of profits, whether incurred by Client or any consumer or other person, whether based on contract, tort (including, without limitation, negligence, duty to warn, strict liability) warranty, or any other legal theory or on equitable grounds, even if they have been advised of the possibility of such damages. Client agrees that their maximum liability for damages in connection with a Consumer Report will not exceed an amount equal to the price paid by Client for such Consumer Report, and that the foregoing limitations, exclusions, and releases are an essential part of this Agreement and form the basis for determining the price of Consumer Reports.
- VI. Client will pay ACRAnet, according to ACRAnet's fee schedule as in effect from time to time. ACRAnet acting through its sales agents may change fees upon written notice to Client. prevailing party to recover attorneys' fees incurred to enforce the award or judgment, which attorneys' fees shall be an element of post-award or judgment costs. The parties agree that this attorneys' fees provision shall not merge into any arbitration award or judgment.

- XI. No amendment or modification of this Agreement or of any covenant, condition, or limitation herein contained shall be valid unless in writing and duly executed by the party to be charged therewith.

Notwithstanding any other provision of this agreement, either party may, without conflict with this arbitration provision, seek interim provisional, injunctive, or other equitable relief until the arbitration award is rendered or the controversy is otherwise resolved.
- XIV. Each party is duly authorized to enter into and perform this Agreement, and if such party is a corporation or limited liability company, all appropriate and necessary action has been taken by such corporation or limited liability company to authorize the signing and performance of this Agreement.

Appendix C to Part 601

Prescribed Notice of User Responsibilities

This appendix prescribes the content of the required notice.
**NOTICE TO USERS OF CONSUMER REPORTS:
OBLIGATIONS OF USERS UNDER THE FCRA**

The federal Fair Credit Reporting Act (FCRA) requires that this notice be provided to inform users of consumer reports of their legal obligations. State law may impose additional requirements. This first section of this summary sets forth the responsibilities imposed by the FCRA on all users of consumer reports. The subsequent sections discuss the duties of users of reports that contain specific types of information, or that are used for certain purposes, and the legal consequences of violations. The FCRA, 15 U.S.C. 1681-1681u, is set forth in full at the Federal Trade Commission's Internet web site (<http://www.ftc.gov>).

I. OBLIGATIONS OF ALL USERS OF CONSUMER REPORTS

A. Users Must Have a Permissible Purpose

Congress has limited the use of consumer reports to protect consumer's privacy. All users must have a permissible purpose under the FCRA to obtain a consumer report. Section 604 of the FCRA contains a list of the permissible purposes under the law. These are:

- * As ordered by a court or a federal grand jury subpoena. Section 604(a)(1)
- * As instructed by the consumer in writing. Section 604(a)(2)
- * For the extension of credit as a result of an application from a consumer, or the review or collection of a consumer's account. Section 604(a)(3)(A)
- * For employment purposes, including hiring and promotion decisions, where the consumer has given written permission. Sections 604(a)(3)(B) and 604(b)
- * For the underwriting of insurance as a result of an application from a consumer. Section 604(a)(3)(C)
- * When there is a legitimate business need, in connection with a business transaction that is initiated by the consumer. Section 604(a)(3)(F)(i)
- * To review a consumer's account to determine whether the consumer continues to meet the terms of the account. Section 604(a)(3)(F)(ii)
- * To determine a consumer's eligibility for a license or other benefit granted by a governmental instrumentality required by law to consider an applicant's financial responsibility or status. Section 604(a)(3)(D)
- * For use by a potential investor or servicer, or current insurer, in a valuation or assessment of the credit or prepayment risks associated with an existing credit obligation. Section 604(a)(3)(E)
- * For use by state and local officials in connection with the determination of child support payments, or modifications and enforcement thereof. Sections 604(a)(4) and 604(a)(5)

In addition, creditors and insurers may obtain certain consumer report information for the purpose of making unsolicited offers of credit or insurance. The particular obligations of users of this "prescreened" information are described in Section V below.

B. Users Must Provide Certifications

Section 604(f) of the FCRA prohibits any person from obtaining a consumer report from a consumer reporting agency (CRA) unless the person has certified to the CRA (by a general or specific certification, as appropriate) the permissible purpose(s) for which the report is being obtained and certifies that the report will not be used for any other purpose.

C. Users Must Notify Consumers When Adverse Actions Are Taken

The term "adverse action" is defined very broadly by Section 603 of the FCRA. "Adverse actions" include all business, credit, and employment actions affecting consumers that can be considered to have a negative impact -- such as unfavorably changing credit or contract terms or conditions, denying or canceling credit or insurance, offering credit on less favorable terms than requested, or denying employment or promotion.

1. Adverse Actions Based on Information Obtained From a CRA

If a user takes any type of adverse action that is based at least in part on information contained in a consumer report, the user is required by Section 615(a) of the FCRA to notify the consumer. The notification may be done in writing, orally, or by electronic means. It must include the following:

The name, address, and telephone number of the CRA (including a toll-free telephone number, if it is a nationwide CRA) that provided the report. A statement that the CRA did not make the adverse decision and is not able to explain why the decision was made.

A statement setting forth the consumer's right to obtain a free disclosure of the consumer's file from the CRA if the consumer requests the report within 60 days.

A statement setting forth the consumer's right to dispute directly with the CRA the accuracy or completeness of any information provided by the CRA.

2. Adverse Actions Based on Information Obtained From Third Parties Who Are Not Consumer Reporting Agencies

If a person denies (or increases the charge for) credit for personal, family, or household purposes based either wholly or partly upon information from a person other than a CRA, and the information is the type of consumer information covered by the FCRA, Section 615(b)(1) of the FCRA requires that the user clearly and accurately disclose to the consumer his or her right to obtain disclosure of the nature of the information that was relied upon by making a written request within 60 days of notification. The user must provide the disclosure within a reasonable period of time following the consumer's written request.

3. Adverse Actions Based on Information Obtained From Affiliates

If a person takes an adverse action involving insurance, employment, or a credit transaction initiated by the consumer, based on information of the type covered by the FCRA, and this information was obtained from an entity affiliated with the user of the information by common ownership or control, Section 615(b)(2) requires the user to notify the consumer of the adverse action. The notification must inform the consumer that he or she may obtain a disclosure of the nature of the information relied upon, by making a written request within 60 days of receiving the adverse action notice. If the consumer makes such a request, the user must disclose the nature of the information not later than 30 days after receiving the request. (Information that is obtained directly from an affiliated entity relating solely to its transactions or experiences with the consumer, and information from a consumer report obtained from an affiliate are not covered by Section 615(b)(2).)

II. OBLIGATIONS OF USERS WHEN CONSUMER REPORTS ARE OBTAINED FOR EMPLOYMENT PURPOSES

If information from a CRA is used for employment purposes, the user has specific duties, which are set forth in Section 604(b) of the FCRA. The user must:

Make a clear and conspicuous written disclosure to the consumer before the report is obtained, in a document that consists solely of the disclosure, that a consumer report may be obtained.

Obtain prior written authorization from the consumer.

Certify to the CRA that the above steps have been followed, that the information being obtained will not be used in violation of any federal or state equal opportunity law or regulation, and that, if any adverse action is to be taken based on the consumer report, a copy of the report and a summary of the consumer's rights will be provided to the consumer.

Before taking an adverse action, provide a copy of the report to the consumer as well as the summary of the consumer's rights. (The user should receive this summary from the CRA, because Section 604(b)(1)(B) of the FCRA requires CRAs to provide a copy of the summary with each consumer report obtained for employment purposes.)

III. OBLIGATIONS OF USERS OF INVESTIGATIVE CONSUMER REPORTS

Investigative consumer reports are a special type of consumer report in which information about a consumer's character, general reputation, personal characteristics, and mode of living is obtained through personal interviews. Consumers who are the subjects of such reports are given special rights under the FCRA. If a user intends to obtain an investigative consumer report, Section 606 of the FCRA requires the following:

The user must disclose to the consumer that an investigative consumer report may be obtained. This must be done in a written disclosure that is mailed, or otherwise delivered to the consumer, not later than three days after the date on which the report was first requested. The disclosure must include a statement informing the consumer of his or her right to request additional disclosures of the nature and scope of the investigation as described below, and must include the summary of consumer rights required by Section 609 of the FCRA. (The user should be able to obtain a copy of the notice of consumer rights from the CRA that provided the consumer report.)

The user must certify to the CRA that the disclosures set forth above have been made and that the user will make the disclosure described below.

Upon the written request of a consumer made within a reasonable period of time after the disclosures required above, the user must make a complete disclosure of the nature and scope of the investigation that was requested. This must be made in a written statement that is mailed, or otherwise delivered, to the consumer no later than five days after the date on which the request was received from the consumer, or the report was first requested, whichever is later in time.

IV. OBLIGATIONS OF USERS OF CONSUMER REPORTS CONTAINING MEDICAL INFORMATION

Section 604(g) of the FCRA prohibits consumer reporting agencies from providing consumer reports that contain medical information for employment purposes, or in connection with credit or insurance transactions, without the specific prior consent of the consumer who is the subject of the report. In the case of medical information being sought for employment purposes, the consumer must explicitly consent to the release of the medical information in addition to authorizing the obtaining of a consumer report generally.

V. OBLIGATIONS OF USERS OF "PRESCREENED" LISTS

The FCRA permits creditors and insurers to obtain limited consumer report information for use in connection with unsolicited offers of credit or insurance under certain circumstances. [Sections 603(l), 604(c), 604(e), and 615(d)] This practice is known as "prescreening" and typically involves obtaining a list of consumers from a CRA who meet certain pre-established criteria. If any person intends to use prescreened lists, that person must (1) before the offer is made, establish the criteria that will be relied upon to make the offer and to grant credit or insurance, and (2) maintain such criteria on file for a three-year period beginning on the date on which the offer is made to each consumer. In addition, any user must provide with each written solicitation a clear and conspicuous statement that:

Information contained in a consumer's CRA file was used in connection with the transaction.

The consumer received the offer because he or she satisfied the criteria for credit worthiness or insurability used to screen for the offer.

Credit or insurance may not be extended if, after the consumer responds, it is determined that the consumer does not meet the criteria used for

screening or any applicable criteria bearing on credit worthiness or insurability, or the consumer does not furnish required collateral.

The consumer may prohibit the use of information in his or her file in connection with future prescreened offers of credit or insurance by contacting the notification system established by the CRA that provided the report. This statement must include the address and toll-free telephone number of the appropriate notification system.

VI. OBLIGATIONS OF RESELLERS

Section 607(e) of the FCRA requires any person who obtains a consumer report for resale to take the following steps:

Disclose the identity of the end-user to the source CRA.

Identify to the source CRA each permissible purpose for which the report will be furnished to the end-user.

Establish and follow reasonable procedures to ensure that reports are resold only for permissible purposes, including procedures to obtain:

- (1) the identity of all end-users;
- (2) certifications from all users of each purpose for which reports will be used; and
- (3) certifications that reports will not be used for any purpose other than the purpose(s) specified to the reseller. Resellers must make reasonable efforts to verify this information before selling the report.

VII. LIABILITY FOR VIOLATIONS OF THE FCRA

Failure to comply with the FCRA can result in state or federal enforcement actions, as well as private lawsuits.[Sections 616, 617, and 621] In addition, any person who knowingly and willfully obtains a consumer report under false pretenses may face criminal prosecution. (Section 619)

Prescribed Notice of Furnisher Responsibilities

This appendix prescribes the content of the required notice.
**NOTICES TO FURNISHERS OF INFORMATION:
OBLIGATIONS OF FURNISHERS UNDER THE FCRA**

The federal Fair Credit Reporting Act (FCRA), as amended, imposes responsibilities on all persons who furnish information to consumer reporting agencies (CRAs). These responsibilities are found in Section 623 of the FCRA. State law may impose additional requirements. All furnishers of information to CRAs should become familiar with the law and may want to consult with their counsel to ensure that they are in compliance. The FCRA, 15 U.S.C. 1681-1681u, is set forth in full at the Federal Trade Commission's Internet web site (<http://www.ftc.gov>). Section 623 imposes the following duties:

General Prohibition on Reporting Inaccurate Information:

The FCRA prohibits information furnishers from providing information to a consumer reporting agency (CRA) that they know (or consciously avoid knowing) is inaccurate. However, the furnisher is not subject to this general prohibition if it clearly and conspicuously specifies an address to which consumers may write to notify the furnisher that certain information is inaccurate. Sections 623(a)(1)(A) and (a)(1)(C)

Duty to Correct and Update Information:

If at any time a person who regularly and in the ordinary course of business furnishes information to one or more CRAs determines that the information provided is not complete or accurate, the furnisher must provide complete and accurate information to the CRA. In addition, the furnisher must notify all CRAs that received the information of any corrections, and must thereafter report only the complete and accurate information. Section 623(a)(2)

Duties After Notice of Dispute from Consumer:

If a consumer notifies a furnisher, at an address specified by the furnisher for such notices, that specific information is inaccurate, and the information is in fact inaccurate, the furnisher must thereafter report the correct information to CRAs. Section 623(a)(1)(B)

If a consumer notifies a furnisher that the consumer disputes the completeness or accuracy of any information reported by the furnisher, the furnisher may not subsequently report that information to a CRA without providing notice of the dispute. Section 623(a)(3)

Duties After Notice of Dispute from Consumer Reporting Agency:

If a CRA notifies a furnisher that a consumer disputes the completeness or accuracy of information provided by the furnisher, the furnisher has a duty to follow certain procedures. The furnisher must:

Conduct an investigation and review all relevant information provided by the CRA, including information given to the CRA by the consumer. Sections 623(b)(1)(A) and (b)(1)(B)

Report the results to the CRA, and, if the investigation establishes that the information was, in fact, incomplete or inaccurate, report the results to all CRAs to which the furnisher provided the information that compile and maintain files on a nationwide basis. Sections 623(b)(1)(C) and (b)(1)(D)

Complete the above within 30 days from the date the CRA receives the dispute (or 45 days, if the consumer later provides relevant additional information to the CRA). Section 623(b)(2)

Duty to Report Voluntary Closing of Credit Accounts:

If a consumer voluntarily closes a credit account, any person who regularly and in the ordinary course of business furnishes information to one or more CRAs must report this fact when it provides information to CRAs for the time period in which the account was closed. Section 623(a)(4)

Duty to Report Dates of Delinquencies:

If a furnisher reports information concerning a delinquent account placed for collection, charged to profit or loss, or subject to any similar action, the furnisher must, within 90 days after reporting the information, provide the CRA with the month and the year of the commencement of the delinquency that immediately preceded the action, so that the agency will know how long to keep the information in the consumer's file. Credit Scoring Services

Client is a credit grantor that purchases Consumer Reports from ACRAnet pursuant to the Agreement in connection with credit transactions involving the consumer subjects of such Consumer Reports. As an enhancement to the basic Consumer Report, ACRAnet has offered Client the opportunity to purchase one or more credit risk scores provided by Trans Union, Equifax, or Experian; including, but not limited to, Fair Isaac & Co. (FICO) and Vantage score models. Use of these scoring models may require additional addendums and be subject to additional terms of use.

Client recognizes that all credit risk scores offered hereunder are statistical scores and may not be predictive as to any particular individual. No such score is intended to characterize any individual as to credit capability. Client recognizes that factors other than credit risk scores should be considered in making a credit decision, including the Credit Report, the individual credit application, economic factors, and various other pertinent information. A statement of the factors that significantly contributed to the credit risk score may accompany the score. If so, such information may be disclosed to the consumer as the reason for taking adverse action, as required by Regulation B. However, the credit risk score itself is proprietary and may not be used as the reason for adverse action under Regulation B. In addition, under the Fair Credit Reporting Act, credit risk scores are not considered part of the consumer’s file. Accordingly, Client agrees only to disclose the actual credit risk score to the consumer when accompanied by the corresponding reason codes or otherwise required by law.

CLIENT HAS MADE ITS OWN ANALYSIS OF THE CREDIT RISK SCORE OR SCORES SELECTED BY CLIENT, INCLUDING THE RELIABILITY OF USING SUCH SCORES IN CONNECTION WITH CLIENTS’S CREDIT DECISION. ACRANET AND ITS AGENTS SHALL NOT BE LIABLE FOR ANY LOSS, COSTS, DAMAGES, OR EXPENSE INCURRED BY CLIENT RESULTING FROM CLIENT’S USE OF CREDIT RISK SCORES, OR THE INACCURACY THEREOF. IN NO EVENT SHALL ACRANET NOR ITS AGENTS BE LIABLE TO CLIENT FOR ANY INCIDENTAL, INDIRECT, PUNITIVE, OR CONSEQUENTIAL DAMAGES FOR A CLAIM BY CLIENT RESULTING FROM CLIENT’S USE OF ANY CREDIT RISK SCORE. THE TOTAL AGGREGATE LIABILITY OF ACRANET AND ITS AGENTS FOR A CLAIM BY CLIENT RELATED TO CLIENT’S USE OF ANY CREDIT RISK SCORE SHALL NOT EXCEED THE SURCHARGE PAID BY CLIENT FOR THE CREDIT RISK SCORE TO WHICH SUCH CLAIM RELATES.

Client certifies that in using the FICO/VANTAGE Credit Scoring Models that:

- A. Client will only use the permissible purpose as outlined within the ACRAnet Client Service Agreement (hereinafter referred to as “Agreement”) and the Application for Service in accordance with the FCRA to obtain the information derived from the Fair Isaac and Company Scoring Model (hereinafter referred to as “FICO”) or the Vantage Scoring Model.
- B. Client will limit Client’s use of the scores and reason codes solely to use in Client’s own business with no right to transfer or otherwise sell, license, sublicense or distribute said scores or reason codes to third parties.
- C. Client will maintain internal procedures to minimize the risk of unauthorized disclosure and agree that such scores and reason codes will be held in strict confidence and disclosed only to those employees with a “need to know” and to no other person.

Client agrees to keep this access secure by keeping their login information private. 2) Client agrees that after using ACRAnet's Internet access Client will logoff. Client agrees to abide by the terms and conditions stated herein.

It is a requirement that all end users (Clients) take precautions to secure any system or device used to access consumer credit information. To that end, the following requirements have been established.

A. Implement Strong Access Control Measures

- (1) Client will not provide any Subscriber Codes or any of the above ID information or passwords to anyone. The Data Providers will never contact the Client and request the Subscriber Code number or password.
- (2) Proprietary or third party system access software must have Subscriber Codes and password(s) hidden or embedded. Account numbers and passwords should be known to only supervisory personnel.
- (3) Client must request that Subscriber Code password be changed immediately when:
 - i. Any system access software is replaced by another system access software or is no longer used;
 - ii. The hardware on which the software resides is upgraded, changed or disposed of
- (4) Protect Subscriber Code(s) and password(s) so that only key personnel know this sensitive information. Unauthorized personnel should not have knowledge of your Subscriber Code(s) and password(s).
- (5) Create a separate, unique user ID for each user to enable individual authentication and accountability for access to ACRAnet's infrastructure. Each user of the system access software must also have a unique logon password.
- (6) Ensure that user ID's are not shared and that no Peer-to-Peer file sharing is enabled on those users' profiles.
- (7) Keep user passwords confidential.
- (8) Develop strong passwords that are:
 - i. Not easily guessable (e.g. your name or company name, repeating numbers and letters or consecutive numbers and letters);
 - ii. Contain a minimum of eight (8) alpha/numeric characters for standard user accounts
- (9) Implement password protected screensavers with a maximum fifteen (15) minute timeout to protect unattended workstations.
- (10) Active logins to credit information systems must be configured with a 30 minute inactive session, timeout.
- (11) Restrict the number of key personnel who have access to credit information.
- (12) Ensure that personnel who are authorized access to credit information have a business need to access such information and understand these requirements to access such information are only for the permissible purposes listed in the Permissible Purpose Information section of the ACRAnet Application for Service and the Client Service Agreement.
- (13) Ensure that Client and Client's employees do not access their own consumer reports or those reports of any family member(s) or friend(s) unless it is in connection with a credit transaction or for another permissible purpose.
- (14) Implement a process to terminate access right immediately for users who access ACRAnet information when those users are terminated or when they have a change in their job tasks and no longer require access consumer information.
- (15) After normal business hours, turn off and lock all devices or systems used to obtain consumer information.
- (16) Implement physical security controls to prevent unauthorized entry to Client's facility and access to systems used to obtain consumer report information.

B. Maintain a Vulnerability Management Program

- (1) Keep operating system(s), firewalls, routers, servers, personal computers (laptop and desktop) and all other systems current with appropriate system patches and updates.
- (2) Configure infrastructure such as Firewalls, Routers, personal computers, and similar components to industry best security practices, including disabling unnecessary services or features, removing or changing default passwords, ID's and sample files/programs, and enabling the most secure configuration features to avoid unnecessary risks.
- (3) Implement and follow current best security practices for computer virus detection scanning services and procedures:
 - i. Use, implement and maintain a current, commercially available computer virus detection/scanning product on all computers, systems and networks.
 - ii. If you suspect an actual or potential virus, immediately cease accessing the system and do not resume the inquiry process until the virus has been eliminated.
 - iii. On a weekly basis at a minimum, keep anti-virus software up-to-date by vigilantly checking or configuring auto updates and installing new virus definition files.
- (4) Implement and follow current best security practices for computer anti-spyware scanning services and procedures:
 - i. Use, implement and maintain a current, commercially available computer anti-spyware scanning product on all computers, systems and networks.

- ii. If you suspect actual or potential spyware, immediately cease accessing the system and do not resume the inquiry process until the problem has been resolved and eliminated.
- iii. Run a secondary anti-spyware scan upon completion of the first scan to ensure all spyware has been removed from your computers.
- iv. Keep anti-spyware software up-to-date by vigilantly checking or configuring auto updates and installing new anti-spyware definition files weekly, at a minimum. If your company's computers have unfiltered or unblocked access to the internet (which prevents access to some known problematic sites), then it is recommended that anti-spyware scans be completed more frequently than weekly.

C. Protect Data

- (1) Develop and follow procedures to ensure that data is protected throughout its entire information lifecycle (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (e.g. tape, disk, paper, etc.).
- (2) All information provided by the Data Providers is classified as confidential and must be secured to this requirement at a minimum.
- (3) Procedures for transmission, disclosure, storage, destruction and any other information modalities or media should address all aspects of the lifecycle of the information.

- (5) Only open e-mail attachments and links from trusted sources and after verifying legitimacy.

D. Maintain an Information Security Policy

- (1) Develop and follow a security plan to protect the confidentiality and integrity of the personal consumer information as required under the GLB Safeguard Rule.
- (2) Establish processes and procedures for responding to security violations, unusual or suspicious events and similar incidents to limit damage or unauthorized access to information assets and to permit identification and prosecution of violators.
- (3) The FACTA Disposal Rules requires that you implement appropriate measures to dispose of any sensitive information related to consumer credit reports and records that will protect against unauthorized access or use of that information.
- (4) Implement and maintain ongoing mandatory security training and awareness sessions for all staff to underscore the importance of security within your organization.

E. Build and Maintain a Secure Network

- (1) Protect Internet connection with dedicated, industry-recognized firewalls that are configured and managed using industry best security practices.
- (2) Internal private Internet Protocol (IP) addresses must not be publicly accessible or natively routed to the Internet. Network address translation (NAT) technology should be used.
- (3) Administrative access to firewalls and servers must be performed through a secure internal wired connection only.
- (4) Any stand alone computers that directly access the internet must have a desktop firewall deployed that is installed and configured to block unnecessary/unused ports, services and network traffic.
- (5) Encrypt Wireless access points with a minimum of WEP 128 bit encryption and/or WPA encryption where available.
- (6) Disable vendor default passwords, service set identifier and IP Addresses on wireless access points and restrict authentication on the configuration of the access point.

F. Regularly Monitor and Test Networks

- (1) Perform regular tests on information systems (port scanning, virus scanning, vulnerability scanning).
- (2) Use current best practices to protect your telecommunications systems and any computer system or network device(s) you use to provide services hereunder to access ACRAnet systems and networks. These controls should be selected and implemented to reduce the risk of infiltration, hacking, access to penetration or exposure to an unauthorized third party by:
 - i. Protecting against intrusions;
 - ii. Securing the computer systems and network devices;
 - iii. And protecting against intrusions of operating systems or software.

G. Unauthorized Access

- (1) In the event of an unauthorized access there will be a thorough investigation as to the root cause; Client agrees to help facilitate the investigation fully.
